INFORMAZIONI

Pouf Morbido rivestito contenente perle di polistirene espanso ad alta resistenza. Disponibile in tutti i tessuti delle **Collezioni Spouf.**
I *morbidi* presentano un sistema di chiusura doppio: cerniera più velcro, per garantire la fuoriuscita delle perle. Grazie alla particolarità del polistirene, riescono ad assumere forme ergonomiche e confortevoli.
Consultare la comparazione tessuti per le **Caratteristiche Tecniche.**

Attenzione: prodotto morbido imbottito
Le misure potrebbero risultare differenti in base al posizionamento del prodotto stesso e/o dell'imbottitura.
