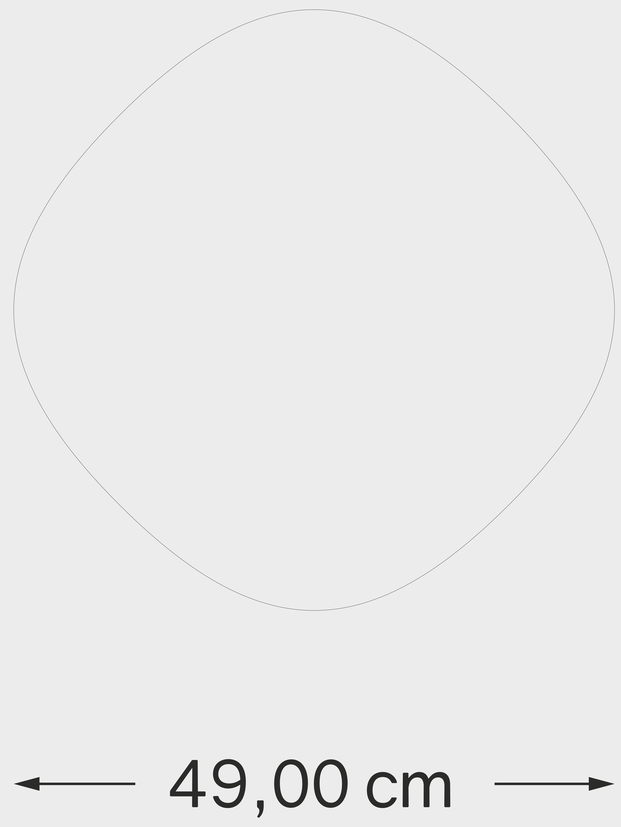
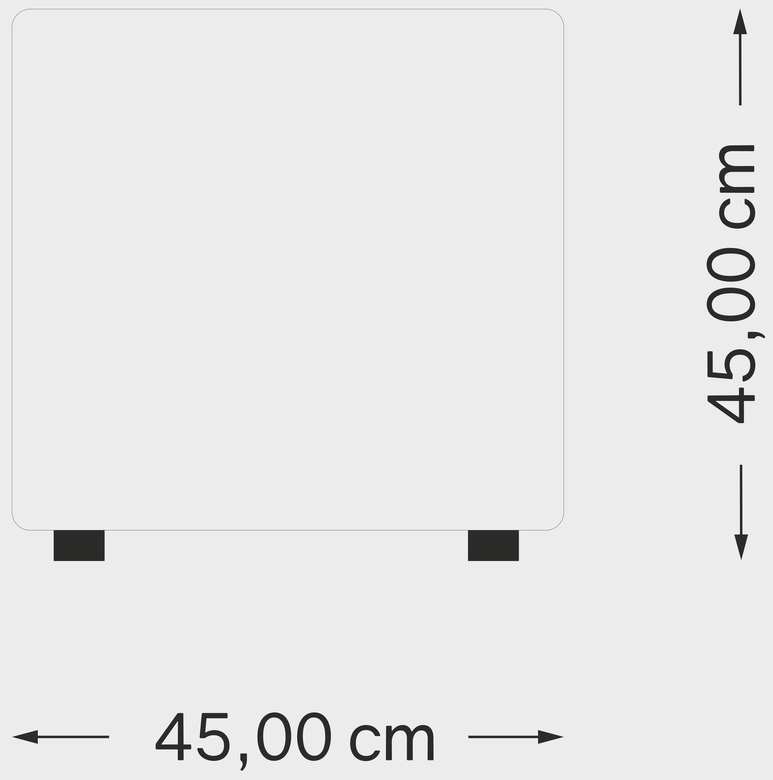
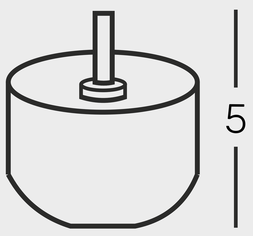
Pouf Job

Art.2016

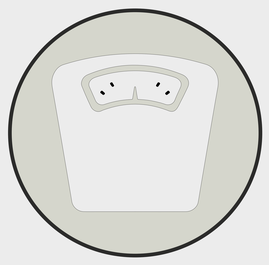
IT







Kit piede opzionale
h 5cm



4,8 kg

INFORMAZIONI

Struttura	Polistirene a freddo e legno
Imbottitura	Poliuretano espanso a densità differenziata
Rivestimento	Tessuto
Uso	Interno
Montaggio necessario	No
Sfoderabile	No
Stile	Moderno
Piedi	plastica resistente H 2,5cm

Pouf con struttura in legno e polistirene a freddo. Imbottitura in poliuretano espanso a densità differenziata con piede in plastica h 2,5cm.

Pouf with structure in wood and cold polystyrene. Density polyurethane foam padding differentiated with plastic foot h 2,5cm
